“ Memories,...*"What we have once enjoyed we can never lose. All that we love deeply becomes a part of us."* When he started with the computer tech support and would see me at NW Elementary as a "mom" the joking and kidding not to mention the huge smile would bring back many stories of the old Lyndora days and the times of being his "student" ! May knowing he has reached his final destination and made the ultimate goal provide peace and comfort the days ahead.###imported-begin##Sharon (Young) Schneider###imported-end##
