“ Met this amazing couple almost two decades ago! Their love was so admired and such a beautiful giving family. Nancy would mail me recipes from Florida and even shared her “secret” mashed potatoes with me! Both had hearts so huge, it was always a blessing upon their return from winter birds back to our small town! They will always be remembered for their love and generosity! May God keep all their loved ones and families in his loving arms for a tiny bit of peace and comfort. 🙏🙏🙏
