“ I am Robert Lohr's granddaughter, and I never had the honor of meeting him, I just found out that I've been chasing not a person but a memory and it makes me sad that I'm too late. His daughter was my mother, Mary Ann Lohr Gmytruk, or Mary Ann Lohr Carter (maiden name), who had also passed in 2010 of suicide. My condolences to any other family or friends out there who had the honor of knowing him
