“ Bobbie was a loving mother and great friend to my family as well as me. Very sad to see her go. She will always be remembered in my mind as the supportive mom at our sporting events. As well as a generous person that would go out of her way for the people she cared for and who her kids cared for. My love and condolences to whole family.

“ We are saddened at the passing of Bobbi Prementine and offer our condolences to family and friends who knew and loved her. We loved Bobbi for several reasons. My wife Alex expressed herself in a separate memory, but I want to reiterate my gratitude to Bobbi for helping my wife Alex feel welcome and accepted in Slippery Rock after she (Alex) and her boys left so much behind in Maryland to join me and my boys here in Slippery Rock. I loved Bobbi for accepting my youngest son into their family when he befriended Hunter. We loved Bobbi for her dedication to her family, especially to her children in supporting them enthusiastically in the many sports and other activities in which they participated. With Bobbi's passing, Slippery Rock sports has lost one of its greatest and most passionate supporters. Thank you Bobbi for all you did for our family and for the community. May God watch over your family until the day when you reunite with them.
