“ I send my deepest sympathy in this time of loss. Roger was truly a nice person who worked hard to provide for his family. He was understanding and was so proud of his son who he spent much time with. Roger helped build my new home and to him I will always hold a special place for times we shared. Even though Roger had some tough times he always remained positive with a caring heart for those around him. Roger was a person that brought a deep appreciation to getting a job done. He had just called me and wanted my address as he announced to me he was excited to be getting married and he wanted me to come over for the wedding. I will truly miss Roger, he was not only a proud man but a true friend that I am thankful to have known and been a part of his life. His memory will live on with me as I look at my home I know Roger was so proud of the work he did on my house and to him I will always be thankful. Your friend, David##imported-begin##David Rusnak##imported-end##
