“ I first met Ron at Butler County Community College in 1996. I could tell back then there was something special about Ron. And as we worked together the more we became more than just 2 guys who worked at BC3. We became very good friends. We are both Christian men of God. I will miss him a lot here on earth. But I know in my heart we will be together again for eternity with Jesus. As our friendship grew we were like real brothers. We loved each other and we always will. I have known his family for many years and I am asking for prayers for his sons and family during this difficult time. I know Ron loved his sons and they loved him too. He was a great father a wonderful grandfather, an awesome son to his mom, and if you got to know Ron you knew you had a friend forever. God bless you my Brother. I love you. Thank you for the great memories I will always hold dear to my heart.

You're both Christian men of God? God knows your hearts and I know something both of you did that cost other people thousands of dollars that neither of you ever made right. Christian men of God don't cheat people out of hard earned money.
