“ Dear Sue, Rene, Janel, Raylan & family,

*Please know that my heart is with you even though I am not there in person. Nobody in the entire family could make me laugh like Ray. His sense of humor, especially the really dry sense of humor is what I will miss the most. I know I don't see all of you as often as I would like because of distance, but you are in my thoughts often, and especially now. I love you all, and wish I were there to give you each a big hug.*

*With love,*

*Your sister & aunt, Christine*

*Javier also asked that I send his condolences. We hope to see you soon.*
