“ *When I was a little girl, I received a birthday card on year with a little girl with long blonde hair on the front. Aunt Rose said the little girl looked just like me.*

*As a child, I was sick a lot with asthma and my 3 special aunt would come to visit me.*

*Also, she would always make sure to come to visit with me and my family at mom's house when we came in from out of state. Always received a Christmas card from Aunt Rose and Uncle Jim.*

*Loved Aunt Rose and it will be hard not to see her anymore.*
