Tribute Wall

“ I read about the loss of your dear loved one and would like to offer my condolences.
Even though she lived to be 94 death can be very painful for those of you who loved her no matter how long she lived, but what helped me are the encouraging words found in the bible at Acts 24:15, maybe you too will be comforted in this promise God made. If you would like to know more please read the brochure When Someone We Love Dies

“ Dear Burton and family
I remember Ruth and Ralph quite well. Always a glass of water for the paper carrier or even cookies. I always took time to listen to a story. And getting to see Ruth at the Strawberry fest. at the Muddy Creek Church. Many good things she left so many of us with and many good memories. I'm thankful to have known her. My sympathy to all of the family.##imported-begin##Vicky Roxberry##imported-end##
