To Linda and Kirk and family, We have known Jessie for so long. We loved her cole slaw and all her homemade soups. She always had a smile on her face. Also had time to say hello. Kirk you would remember this, your mom brought you to my parents place because she wanted to buy my parents organ, but she wanted your approval. You said to her mom if you want it buy it. She was so happy, she said then I can't wait to get it home so I can play it. Your mom was like a breath of fresh air. She was like an angel. Now she is up playing with the angels.

Sincerely,  
The Bakers
