

Sarah Elyce Archer

January 22, 1989 - July 12, 2016

Sarah Elyce Archer, 27, of Butler, passed away Tuesday, July 12, 2016 at her residence.

She was born January 22, 1989 in Ft. Lauderdale, FL, the daughter of Scott Archer and Shanda (Scott) Renick, both of Butler. Sarah participated in many activities growing up including cheering, dance and soccer. She also was a wonderful singer, with her signature song, "Don't Stop Believing" by Journey. She also loved spending time with her little sister and cousins. She had a dazzling personality and was loved by so many people. She was sweet, caring, and always had everyone laughing. Sadly none of that kept her from struggling with heroin addiction. Sarah was a smart young woman who could have achieved so much greatness had it not been for her never ending battle with addiction. She had tried and completed various treatment programs, sometimes maintaining sobriety for over a year. Unfortunately, even with the support of her family, no one was able to save her from the clutches of her addiction. Sarah wanted a future free of this disease, which she was ultimately unable to achieve. If one person hears Sarah's story and is saved from heroin, her family will have succeeded in accomplishing one of her goals.

Surviving are her parents; her sister, Alexis Huselton of Butler; her brother, Zacharri Renick of Butler; her grandmother, Judy Scott of Butler; her grandfather, Ronnie L. Scott of Butler; her uncles and aunts, Kristopher (Beth)

Rhodaberger and their children, Audrina and Olivia of Butler and Sean (Heather) Archer and their children, Seth, Carter and Sophia, of Butler and numerous cousins.

She was preceded in death by her special grandfather, Kenneth Rhodaberger, great grandmother, Alma Anderson, grandparents, Jack and Delores "Cookie" Archer.

A Memorial service will be held for family and friends at Young Funeral Home, Ltd., 127 W. Jefferson St., Butler, on Wednesday, July 20, 2016 at 7:00 PM.

Private interment.

“ To Sarah's family,
I don't even know Sarah but in reading the obituary, I can't help but feel the love and the pain that you are all going through. I lost my brother to the same thing, just last September and the 'hurt' is unbearable. You feel as if there are so many 'what ifs' and it is so easy to be angry but keep your faith strong and believe that this was her destiny. Ignore any negativity that surrounds her death and have this make you a stronger family. I pray for you and your family to find peace. We all have battles on this Earth, but some are much more domineering than others. Be strong!
