“ Dear Mom,
I will forever miss you. I know you were so excited about Thanksgiving and making the turkey like you've done for many years. Mom, I don't know if you could hear all of us in your room during your last day on earth but we all tried in our own little way to let you know how much we love you. All of us are heartbroken over your passing. The memories I have of you will be with me forever.

Your daughter Barb
