“ How sad was this to hear. Having worked with Steve, you knew he didn't do "Mushy". For all the lives you've touched, I'm glad you've touched mine. You were a treasure to have known and worked with. I pray that your family finds comfort and peace in knowing you are in God's arms now. RIP my buddy, my friend...

“ Terrible news. I spoke with Steve just a month or two ago, caught him at a Steelers game with his brother, and we were able to catch up a little on what each other had been up to since AEO closing. One thing that I'll always cherish about Steve is how he showed so much respect for my brother Steven and I. I felt like when I started at AEO that he really took me in under his arms; a GREAT mentor, and someone I could model a strong work ethics off of. I gravitated to him at "year-end" parties, PSA dinners, and other events, he always had a fun story to tell. Our prayers go out to him and his family. Take care and God bless.

“ I would like to send my deepest sympathies to the family of Steve. I worked at American Eagle but on a different shift than Steve. I knew him from working overtime. He was a good man & I'm sure he will be missed by many. RIP Steve & God Bless.

“ I am sorry to his loved ones. He was an wonderful man! He was always wanting to help you out if he could. To me and some of the other coworkers he was more than a guy we worked with @ American Eagle but a dad.
