*I doubt very much if you will remember who I am but what is important is that I wish to let you know that I am saddened to hear of the passing of your Father. When I was a young man he was always very good to me and for this I will always be grateful. Please share my condolences with your family.*

“ *My friend Brenda,*

*I'm so sorry to hear of the loss of your special dad. You always had a smile on your face and a gleam in you eye when you spoke of him. These days are so very difficult as you mourn your loss. May time heal you and allow you to smile and gleam with remembrance.*

*He passed his kindness and generosity to you and I'm sure he and your mum are looking down and smiling upon you and you family.*

*With kindness and love, Jillsey###imported-begin##Jill*
