

Steven Lee Stelmach

July 5, 1962 - October 31, 2011

Steven Lee Stelmach, 49, of Butler, PA, passed away Monday, October 31, 2011 at his home.

Steven more commonly known as Biff Parker will be greatly missed by family, friends and the Butler community. Biff was proud to call Butler home.

Not a native to Pennsylvania, transplanted from

Texas, he immersed himself in all that Butler has to offer: he researched the local history, never missed the Big Bulter Fair and volunteered for the Farm Show. He attended every Steam Show, Freedom Fest, parade, car show and almost

every Pullman Park ballgame. He volunteered for the Butler Democratic Party and

on the Butler-Freeport Community Trail. As a community, Penn Street will miss

his annual winter luminarias, classic Halloween costumes and his invitation to watch the Forth of July fireworks at his place. Please join us for remembrance, Friday November 4th at Hill United Presbyterian Church. Service will be held at

1:00 PM.

“ I was so lucky to have worked closely with Biff for many years while he served as caretaker of the Austin Junior Forum Casewell House in Austin Texas. During all those years, he had to answer to AJF members, caterers, brides and their families, and yet, he kept his cool and always took care of everything and everyone with dignity and humor. Our organization was truly blessed to have Biff living in our home and being there for us. Rest in Peace, Sweet Biff.
