“ I am so blessed to have been able to share our love of Precious Moments together, I will never forget her and her kindness that she showed to me. I will also never forget the way her eyes and her face would light up when she would tell me about you Todd and her two wonderful sons. Never forget that she loves the three men in her life. I know she is watching over "her men" from heaven. When I look at my Precious Moments that were hers I smile and think of her. God bless the three of you. Thank you Todd for bringing her to meet me at Sams' all those times. God Bless All Three Of You
