“ Condolences to family. I knew Tara as a partner at bowling alley with her mom, Pat and son, Cole. It was a joy to have known her. She was a part of us all there. She will be missed

“ My deepest sympathies to “mom” Patty and Tara’s family. I have many fond memories of hanging out with Tara at volunteer fire department fundraisers and she and Chester Craig teasing each other. Thank you Tara for your deep dedication to helping people and the fire/rescue departments in our area. May you fly on sister ...

“ I remember Tara standing at the bus stop, waiting for me to bring Cole home from school. If I was talking to a child and pased the stop, Tara would be laughing because she knew I forgot to drop Cole off and I would be right back. She always had a smile on her face and always greeted you with that big smile. Rest in Peace Tara.

“ I will always hold special memories of our time in the Butler Band. Tara would like to trade instruments while walking to the stadium to practice. She would strap on my snare drum and I tried in vain to make a sound from her piccolo. Rest In Peace dear friend. Tracy Slomer Campbell

This picture was taken at a pump class in 2018. Though Tara was totally blind, she remembered perfectly how to pump the truck!
