“ I have so many memories of Tim I could overload this page. My brother (in law however in my heart he was blood) not that anyone ever could have had a bad word to say about Tim but if they did I would have throat punched them and defended him. He was a defender protector caregiver best man I've ever known. He did it all. First memories of Tim were me as the third wheel because mom made Stella take me along on their dates. 😊 I remember his big Monte Carlo and random chinese firedrills at red lights, off ramps, main street. Wherever Tim felt the urge. Softball. He played well and loved it and my sister was his biggest fan and cheerleader. His kids. Proudest father ever Tim loved them so much it showed every minute. I'll love and miss him every minute.

*I knew Tim thru him marrying into a family I've know for a loonnnggg time. I use to babysit Stella and her siblings. He was such a nice man and no one could not have wanted a better father, husband and grandfather, son-in-law, son, friend and the list could go on. Rest in Peace Tim and my Thoughts and Prayers to his family and friends. He left a legacy in their eyes never to be fulfilled by any other. XOXO

*I've known Tim all his life, he was my neighbor. When he was little he was very bashful, then he became very outgoing. He and the other kids played at our house and I loved them all. It was very hard to see them as Tim was a good friend to all of them. He was a great husband and father and once your friend he was always there. I will miss him and send love and prayers to all his family. Love All of You
