“ Dear Bill & Mary,
I just heard today from Sue (Turner) Rogers. I am so very sorry for you and your sons and their families. I thought alot of Tracy and enjoyed talking with her from time to time through the post highschool years over at my Mom's old house. It does not seem that long ago that we all played around the neighborhood together. I will be unable to attend the service Saturday afternoon, however know that you are in my prayers. May God's Spirit support you at this hurting time my friends.

Respectfully,
