“ Trent I am sorry but, I will not be attending visitation due to family obligations. I will though, remember you for you. Our conversation last week about the old panheads and shovel head harley motors, I will cherish that. I recall that you were interested in helping with the restoration of my 66' lowrider. Would've liked to have seen your creation. Thank you for being you, appreciate our time chats. May you rest easy and pain free. Till we meet again, 🤝
