“ *Troy I gained your friendship when I started dating Justin. You are in so many of my memories from the early days of our relationship. I will always be grateful to you for our unplanned puppy Ruby. We went to your house to hang out and left with a puppy. You loved getting her worked up every time you saw her. But the moment, the memory that will always mean the most, was when you stood at the altar with us on our wedding day as Justin's Best Man. Troy my heart is breaking for your parents, Nicole, and your girls. You are a great man who was taken way too soon. You will be missed and never forgotten.*
