“ Growing up with Twila as a neighbor was so great. The memories have been flooding back. From piling in to the car to go swimming, square dancing, making homemade ice cream, and so much more. She will be so missed. Love you Doug and Marlene.

“ Such a sweet lady :) always had the neighborhood kids over in her basement to do line dancing in the summer. And she always made me my own favorite bag of hard tack candy at Christmas. Her garden vegetables were always so good too.

“ Twila was such a caring person and co-worker. Many times I remember her sharing fresh picked cherries, strawberries and other fresh produce with all of us. She loved to surprise her co-workers by doing over and above what was expected of her then never letting on. She was truly a joy She loved her family most of all. God be with you all at this difficult time.
