“ I knew Virginia from her volunteering at Visiting Nurses Association in the Medical Records Department when I worked there. I considered Virginia my friend as well as a worker. I always looked forward to her coming in and talking with me while we worked. She was a dear, sweet lady who had a heart of gold. She talked about her children often and how proud she was of them. Even though we haven't spoken in quite awhile, I will miss her and am saddened of her passing. My sympathy goes out to her family. I had resigned from VNA in 1992 due to a complicated pregnancy so I don't know how long she had continued volunteering there after I left.##imported-begin##Lynne Smith##imported-end##
