Wendy went to bed that Sunday evening never knowing, nor did we, that she would be spending eternity in the presence of her Lord & Savior, Jesus Christ. Wendy's heart was so devoted to the fire companies of Prospect & Connoquenessing & she will be greatly missed by the men & women of those departments. I had the privilege of becoming a friend of Wendy's thru my sons, Frank & Ken, who were & are both Chiefs of Prospect. She helped them both in so many ways to accomplish the very best for the fire company & those serving the citizens of Prospect/Franklin Twp. We will be forever indebted to her for all she did for us. Wendy was a kind, bubbly, opinionated, strong-willed, unique individual. When she put her mind to accomplishing a task, nothing & nobody would get in her way. Rest in peace dear Wendy as you have answered your "final call" & served all in your path to the best of your ability. Our sincerest condolences to Wendy's son, Wayne; brother Harry & grandchildren & family. Our thanks as well for the beautiful prayer from her grandson at the memorial service on Saturday.

Love & prayers, MaryCarol & Larry Wilson

“ *Where do I begin..... Wendy was a very dear friend and the rock in our fire dept that kept us walking the straight and narrow! I along with others I'm sure are finding it hard moving on. Wendy was a very strong willed and very adimit individual who as we all know was never afraid to speak her mind!! Words cannot express the emptiness myself and I'm sure others are feeling! Wendy was my mentor in the fire service, both as a fire police officer and in administration. She was never afraid to offer her "devil's advocate" perspective that kept us all on our toes. She always put others first in everything she was involved with, even surprising some with small gifts at times that would always bring a smile to the recipient. Our fire company would not be what it is today without her persistence and dedication to the many roles she served in... Fire Police Captain, Treasurer, Protector. We painfully miss you already Wendy! - Dan Cox, Connoquenessing Volunteer Fire Company
