“ *Wilda was only one of three cousins,* that I kept in touch with. She and Dick were at my house, when a call came that her brother, Don had died. She was with my son, Jerry Hayes, at age seven, when he was given the message, he had 2 hours to 2 days to live. And agreed with two doctors to take him to Childrens Hospital in Pittsburgh. She was very proud of her family. Dick and she liked my then husband Ken, he was close in age to them and had many discussions and talks. He passed away 12-1-13. I have since re-married. Shelia, you were so good to them, bringing them to Lakeland.*

** Bob Fisher & Bonnie Kay Vargo (she sent Wilda's obituarie) She lead a long life and I know she was ready. I sent he Christmas cards and got both back. I was surprised when I got the second one, as it was the next room number. May God bless all of the family.*

*Come see me at 1049 Rolling Woods Lane Lakeland, FL. Phone 863-646-3608, when possible. I live on a beautiful lake & both my husband & I love to have company. Love,

“ *Aunt Wilda was a wonderful seamstress. I remember her making my dress when I was in Sheila and Rod's wedding. I was standing on a stool and she was working on the hem and it was warm in the sewing room. She grabbed me before I fainted! She told me not to faint when I was standing up at the alter during the wedding ceremony. I'll miss you. Love you, your niece Janet Protzman Sperring*
