

William R. Cummings

May 24, 1958 - September 18, 2018

William R. Cummings, Bill, of Butler, PA, passed away on September 18, 2018. Born May 24, 1958, he was the very proud son of Thomas “Pops” Cummings and Lillian “Mimi” Schottland. Bill was preceded in death by his father.

Bill graduated from Butler High School in 1976 and enlisted in the United States Navy a year later, serving most of his time in Scotland. He went on to graduate from Indiana University of Pennsylvania and achieved his Master’s Degree in Human Resource Management in 1997 from La Roche College. His amazing career as a state child welfare officer, vice-president of Standard Bent Glass Company, and human resource director for a number of successful organizations paled in comparison to the devotion he showed his father while taking loving care of him in his own home for the last few years of Pops’s life.

Bill was a fun-loving, sweet, and thoughtful person who made everyone feel like family. He loved spending time at Cummings Candy and Coffee and assisting Barry to greet customers, make candy, and spread the infectious happiness that was also one of Pops’s special qualities. He was an avid Pittsburgh sports fan and loved spending time with all four of his nieces—always getting down on the floor to play and being as silly as he could to make them laugh.

Bill is survived by his loving and wonderful mother, Lillian Schottland of Butler, PA; his brother Bob Cummings and wife, Susan (Ritchie) of Dallas, TX, his brother Barry Cummings and wife Jennifer (Logan) of Butler, PA; four beautiful nieces, Sarah Cummings and David Stewart of Dallas, TX, Emma Mack and husband, Brian, of Dallas, TX, and Thomasina "Tommie" and Penelope Cummings of Butler, PA, as well as numerous extended family members.

“ Bill has been such a kind and caring friend to me, my daughter, and my family for many years. We had so many great conversations over coffee or dinner. And who could ever forget those crazy Christmas letters he sent over the years and, of course, the peanut brittle! Even though we did not see each other often, he was a very important part of my life and I will miss him.

My deepest condolences to his family at this difficult time.

“ My fondest childhood memories are of teenage summers spent at the pool, hanging out with Bill and the other lifeguards. I had such a crush on him, whether it was watching him lifeguard at the YMCA or waiting for him to drive by my house in that big white car. He was sweet, cute and funny. And he will always have a special place in my heart.

His beautiful smile, his infectious laugh, his kind heart..qualities that he beamed with back when we grouped together every morning in 1970 to make the brave journey to Jr High. I cherished every time I was lucky enough to run into Bill and catch up with him and enjoy that smile! Heaven has gained a perfect Angel. RIP Bill- you will be missed by many. Many prayers to your family to help them through this painful time.
