“ *Our Father William (Bill) touched the lives of everyone who met him. He was quick to share a friendly smile, a warm hug or handshake, or a good joke with anyone he met.*

*He loved & adored our Mother Betty, and us girls, but Mom was the love of his life. He was devastated by her early death in 2002, & spent the last 14 years filling the void in his heart left by her.*

*He was a proud, patriotic American, who didn't receive the homecoming he deserved after serving in Vietnam. Despite this, he instilled in a us a love for our country, and the men & women who serve it.*

*He worked hard all of his life. Working as a mechanic as a young man; as a mechanic in the Army & at Pullman Standard as a young married man; at Armco (AK Steel) as a family man and Giant Eagle post-retirement. He loved people & really enjoyed working with the public.*

*Melany, Mindy & I hope everyone will remember our Dad's big smile, his warm handshakes & hugs, his generous heart and his hearty laugh...*

*Our dad will be greatly missed by everyone who knew him, especially by us - his daughters.*
