“ May the many memories of all the precious times that you had be in your hearts forever. Praying for all the needed strength and courage to get you all through the days ahead. We always think of the saying, "Give a man a fish, feed him for a day. Teach a man to fish, feed him for a lifetime." This was so true with Bill. Heaven has received one of the best fishermen of all time. Our love & blessings to you all.
