“ Remember the party we had when Mom and Dad were away and you backed your old scout into the well housing and dropped the pump to the bottom of the well ? You and the guys spent the next day in the snow and cold with Dad digging up the well....I think we girls got grounded for that one. So many memories, you will be missed.

“ Well Brother Bill you finally got your name in lights thanks to Family Tradition.

Not sure what to say. We been family for 31 years and known each other lots longer.

We had our ups and downs. We have laughed and cried (well I cried you laughed).

But in the end we were FAMILY. This has truly been the worst month ever. You take care of everyone up there. Give John hug and kiss for me. Til we meet again.

Your favorite sister in law
