“ *Suzanne and Family,*

It saddens me that we lose such a great man. I met him in 2003, and he has been one of the best mentors and role models I've had. His style, wisdom, candor, and wit really helped propel my career. Like so many that new him, I will miss him for the rest of my life. My heart and prayers go out all of you. He only touched my life and made a huge impact. I can only imagine, what love he shared with you. May the Peace of God be with all of you, as we say goodbye to a wonderful man.

*With Heartfelt prayers,
Gordon W. Gallimore Jr.*

“ *Suzanne, David, Eric, Bonnie, and Terry,*

It's been a very long time since we've seen you and have wondered often how you are. We were shocked and saddened to learn of Bill's passing. We have many fond memories of times spend together when we were all much younger. Please accept our deepest sympathies at this sad time.

“ *May we express our deepest sympathy to the families of Bill. He was our Foreman in the Pipe Shop of Armco Steel for a few years and he was wonderful to us. He was a very kind, thoughtful man, who will be remembered by all of us who had the fortune to know him and work for him.
May God bless all of you, during such sad times.*
