April 19, 1927 - November 16, 2020

Wilmerdean Victor (Dean) Huselton, 93, of Penn Twp., passed away Monday, Nov. 16, 2020.

He was born April 19, 1927 in Penn Twp., the son of the late T. Victor and Marie (Winters) Huselton. He was always proud to have been a descendant of early Penn Township settlers, the Winters/Klinger and Huselton families.

He was a 1945 graduate of Penn Twp High School. Immediately following graduation, he was drafted into the Army, as a sharpshooter, then was chosen to go to finance school. He married his "high school sweetheart", Betty M. Hamilton on Dec 20, 1945. In Jan. 1946, he was shipped to then post war Berlin, Germany as a T-4 Sergeant in the Finance Department. Dean was one of two men responsible for payroll and all the Generals and armies in Berlin picked up their paychecks at his window. After serving in the army in Germany, Dean came home and worked as a plasterer, plastering many homes in Butler. He then started Huselton Appliance Store, selling Norge appliances, plumbing and heating. This evolved into building twelve homes in Country Club Heights, with a crew of his own men. Soon, he was building homes throughout the area, including developing and building Penn Highlands, better known as Penn Drive and building in Winter Lakes Estates. Along with home contracting, he enlarged his business doing stadium/bleacher erection through Playtime Equipment in Mars, traveling

through the U.S. and Puerto Rico.

Dean always had great religious faith and attended church every Sunday until he was unable. He belonged to Nixon Methodist Church. He helped found and build the Penn Glade Lions Club and Park and is a Past King Lion of that club. He also helped found the Penn Valley Swim Club and was a member of the Elks, American Legion, early Penn Twp. Firemen's Assoc., Penn Twp. Veterans Club, Stonehouse Antique Car Club and United Commercial Travelers Club.

Dean and Betty loved to travel and traveled extensively thru Europe, Jerusalem, Israel, Canada and Mexico. They loved traveling with their family on many vacations and time spent at the camp in Dents Run, PA. Family was the most important thing to Dean and he wanted them all with him whether it was a holiday, a trip, or just a social gathering. He loved to hunt and go on fishing trips. His love of card games was what he enjoyed the most, especially Poker. Dean played cards up to the very last day of his life! He will be greatly missed!!

Surviving are his five daughters; Florence (Richard "Dick" Sr) Jaksec, Linda Russell, Ann (Nat Jeffries) Hays, Janice (Ron) Plaisted of Florida, and Deborah (Brian Koegler) Huselton of Butler; one son David (Kelly) Huselton of Florida; 13 grandchildren; 8 step-grandchildren; 26 great-grandchildren; 1 step great-great grandchild: his brother, Bob (Dolores) Huselton of Butler; a sister, Jane Wilson of FL; and his nieces and nephews.

“ All these many photos are living proof of the importance of family in Dean's life. Although I was not a hunter, one of my favorite memories of being with Dean was the trips to Dent's Run whether to "repair" the camp or to cook for the hunters, but always with family involvement. The world has become a smaller place, and he will be missed by us all.

“ To the Huselton family, Gene and I send our deepest condolences. We have very fond memories of Dean. When we were around him, his beautiful blue eyes would light up when greeting us and he would have a big hug. He would light up a room with his presence and make everyone feel like a member of His family. I am so glad I got to spend time with him at Sunnyview earlier this year. Knowing he and Betty are together warms my heart. To the family, knowing good memories will be shared, you all will be Blessed with those memories to carry you through the hard times ahead! Love and God Bless, Gene Rowe and Vickie Flinn-Rowe
